## Red Letter Vote Offer Good all the Week

200,000 EXTRA VOTE ARE ALLOWED ON ALL COMBINATION OF SUBSCRIPTIONS AMOUNTING TO \$30.00—\$5,000 EXTRA VOTES ARE ALLOWED ON \$15.00 CLUBS.

### FOUR DAYS OPPORTUNITY

This Vote Offer Ends Next Saturday, April 15, 9 p. m.—Hustlers Are Now Offered Unusual Chance to Win Grand Prize—Contest Closes April 22—Get Busy NOW and Earn Many Thousands of Vote Ballots.

A special offer of interest to every candidate and her friends who are interested in The Herald's Subscription Contest is announced today. The inducement is extremely liberal, and one that is well calculated to create a veritable furor among the candidates. Those who are in the race to win will make the most of the time during which this offer will hold good. All promises of subscriptions should be fulfilled before this offer closes.

Be sure to read our ad, in today's paper. In it we are telling you all about this offer. We know that it is going to encourage you greatly and that you are going to try, as never before, to secure these subscriptions, for which you will receive extra votes.

Although less than two weeks of the contest remains ample time is given for any aspirant to come into the race and win now during this free vote period. You who are already in the race want to watch out for this or someone may slip in and take the prize away from you. Don't waste your time. Get right in line and get after subscriptions, for they will count you so much during the next four days, and you cannot afford to let the valuable moments slip by. The leaders have a fair start now, and are gradually gaining headway. So if you want to win you must begin to get votes right away.

It's Up to You.  
Do not disappoint the candidates who approach you asking aid in helping. They will appreciate your kindness. Not a day passes but some grateful candidate brings us words of appreciation for some one who has given them generous assistance. If you could see them when they tell us you would be glad to think that you could earn the recognition from them.

**Red Letter Offer.**  
Extra votes will be allowed on every club subscription turned into the contest department this week. 200,000 extra votes in addition to the regular vote will be given to each contestant who turns in \$30 worth of subscriptions and every candidate who sends in \$15 in subscriptions will receive 85,000 extra votes in addition to the regular votes. This offer ends next Saturday, April 15. It is the biggest offer that will be made during the remaining time of the contest.

**Are You Thinking of Entering?**  
If so there is no time like the present. During the days of this vote harvest is the ideal time in securing subscriptions to The Herald and Star-Democrat. Never again will you have the opportunity to enter a competition where the prizes are so valuable and which can be won so easily if you systematize your efforts and make the most of this extra vote offer.

**A Wonderful Opportunity.**  
With such an incentive the next few days should witness the greatest activity on the part of those who are already in the race and should mark the starting of many new candidates who see in this splendid opportunity the chance to make up for lost time by a little extra endeavor during this period. The field is still fresh and the opportunities for securing business are limitless. The candidates who

win the more valuable prizes will have achieved victories equal to those centered in any competition. The work done during the rest of the week may be the means of winning you an enormous number of reserve votes which will win the prize you most desire, when the votes are counted on April 22, at the close of this contest.

Easter at the Presbyterian Church.

Easter Sunday will be observed at the Presbyterian church, here, with services of much interest. The Greencastle Commandery Knights Templar will attend the morning service in a body, and the pastor of the church will preach a sermon appropriate to the occasion.

In the evening service the Sabbath school will give a special Easter exercise, which will be pleasing and helpful. All will be welcome at these services as always.

## A BELLE UNION HOME IS BURNED

FIRE TOTALLY DESTROYED RESIDENCE OF DR. AND MRS. W. A. MOSER TUESDAY EVENING—STARTED FROM FLUE.

### THE LOSS NEAR \$4,000

The two story residence of Dr. and Mrs. W. A. Moser, who live in Belle Union, was totally destroyed by fire Tuesday evening. The fire, which probably started from a flue was discovered by neighbors at near 7 o'clock. The flames, which had started on the second floor of the house, were then bursting through the windows.

Dr. and Mrs. Moser, were not at home, having driven to the home of Mr. Moser's mother, about four miles from Belle Union. The neighbors managed to save some of the household furniture but the loss will amount to near \$4,000. Dr. Moser had insurance on his property.

## WILL SOON START ON WASHINGTON

CONTRACTOR BERGEN HERE TUESDAY NIGHT AND STATED THAT GRADING WORK WILL BE STARTED THIS WEEK, IF WEATHER PERMITS.

### BROTHER TO HAVE CHARGE

Contractor E. V. Bergen, of Franklin, was here Tuesday night and said that, providing the weather permits, the work on the east Washington street improvement, would be started this week. Mr. Bergen's brother, Charles Bergen, and his nephew, Ray List, also, were here and they will superintend the construction work. Contractor Bergen returned to his home Tuesday night, but his brother and nephew remained here.

Mr. Bergen stated that it probably would be the last part of May before the construction of the sidewalks, curbs and gutters would be commenced. In the mean time all excavating and filling would be done, and the cinder foundation for the cement work, would be put in. The work on the street, also, probably will be done before the cement work on the walks, curbs and gutters is started.

## MARRIAGE LICENSES

Edward Brothers, Bainbridge, R. R. 2 and Bertha May Sigler, Greencastle, R. R. 8.

## FIVE MAKE BIDS; ALL ARE REJECTED

CONTRACTORS WANT HIGHER PRICE FOR IMPROVEMENT THAN COST ESTIMATED BY CITY ENGINEER LANE AND COUNCIL ORDERS WORK RE-ADVERTISED.

### SET APRIL 27 AS DATE

Although there were five bids filed for the work of improving the square, the council, at its meeting Tuesday night rejected all of them, and ordered the work re-advertised. None of the bids were as low as the estimated cost of the work, \$26,944.97, as figured by City Engineer Lane. L. J. Cooper, of Indianapolis, was the lowest bidder. Mr. Cooper's bid was \$27,241.41. The council set the date for receiving of the new bids and letting the contract on the evening of April 27.

There was little difference in the amount of each of the five bids, with the exception of Keagan Bros. of Brazil, whose bid was several hundred dollars above any other. The following are the names of the bidders and their respective bids:

J. L. Cooper, Indianapolis, \$27,241.41.  
George T. Miller, Lebanon, \$27,249.62.  
Allen & Mahoney, city, \$27,278.90.  
Madison Construction Co., Anderson, \$27,944.09.  
Keagan Bros., Brazil, \$28,388.09.

When the meeting opened Tuesday night there were about forty strangers at the meeting. Most of them were material men, who were there to represent their firms to the contractors. Each of the five bids was read. After the reading, City Engineer Lane retired to the court house to figure the total amounts of each.

The following is the itemized bid of Mr. Miller, who was the lowest bidder: walks, per square foot, 16 1/2 cents; lawns between walks and curb, per square foot, 2 cents; curb per lineal foot, 75 cents; catch basins complete, \$45 each; walk culverts, 12 foot, \$25 each; combined curb and gutter, per lineal foot, 7 cents; alley culverts, 12 foot, \$25; drain tile, in place, 6-inch, 30 cents; 8-inch, 40 cents;

coal hole doors, \$32 each; coal hole rings and culverts, \$8 each; filling, in place, per cubic yard, 25 cents; concrete in place, per cubic yard, \$6.00; asphalt macadam, including excavating, per square yard, \$1.79. Steps at court house yard entrance, \$75 per set.

### Other Work of Council.

The need of some repairs to the walks and curb on Seminary, Parke, Hanna and Anderson streets were reported to the council. These walks and curbs are guaranteed by the contractors. Mayor Miller took up the matter and is to notify the respective contractors to make the needed repairs. The matter of allowing damages to the property owners on Simpson street for the vacation of one-half of the street was laid over until the next meeting. Deputy Sheriff Mike Kelley received a telephone message from the Danville police Wednesday morning, asking him to be on the lookout for two men, who escaped from the jail, at that town, early Wednesday morning. The men are described as being 30 years old, about 5 feet, 8 inches tall, weight near 200 pounds with large scar on right cheek; the other, about 5 feet, 6 inches tall, with stubby mustache and weighing about 150 pounds. The two men saved the bars from their cell early Wednesday morning and made their escape before the jail delivery was discovered. The large man had almost one year yet to serve and the smaller man several months. The message did not give either of the men's name.

## MRS. LAMMERS TO ASK A NEW TRIAL

ATTORNEYS FOR GREENCASTLE WOMAN WHO WAS AWARDED DAMAGES OF ONLY \$1,000 WILL PETITION THAT THE CASE BE TRIED AGAIN.

### AMOUNT IS NOT CONSISTENT

The attorneys for Mrs. Clara Lammers, who Tuesday was awarded damages of \$1,000 by a Clay county jury, for injuries received in an interurban accident, probably will ask for a new trial in the case.

S. A. Hays, who with Ben S. Corwin, were the local attorneys employed by Mrs. Lammers, stated Wednesday morning that such action would be taken. The grounds upon which a new trial will be asked is that the amount of damages is not consistent with the injuries received. The attorneys will allege in their petition that if Mrs. Lammers was not entitled to more than \$1,000 she is entitled to no damages whatever, and if she is entitled to damage at all, she is entitled to much more than was given her. Other grounds for a new trial also may be presented the judge.

The marriage of Miss Bertha Sigler, sister of Dr. Sigler of Greencastle, and Edward Brothers, son of Thomas Brothers of this town, will occur this evening at the home of the bride's mother in Clinton township.

The coming wedding of Miss Grace Ford and H. C. Henson of Bainbridge, has been announced to their friends. The wedding will occur on April 29. Mr. Henson is operator at Bainbridge. His former home was at Peoria, Ill.

Records just completed by the Vandalia railroad company shows that in 1908, 1909 and 1910 not one passenger out of a total of 9,800,030 carried was killed in a train accident on that railroad. The Vandalia railroad—a part of the Pennsylvania system—operates 923 miles of the lines though it has in all 1,716 miles of track. Its passenger trains have traveled a total of 7,665,470 miles in the past three years, carrying 330,348,935 passengers one mile and not a single passenger was killed. Counting all passengers injured in the three years, however, trivial there were only sixty-seven. The above figures were taken from reports made to the interstate commerce commission by the Vandalia railroad company.

Love of the Sea.  
It is most reasonable to assume that the maritime importance of such countries as Great Britain and the United States is due in a large measure to the intense interest evinced by the people of those countries in everything relating to nautical affairs. The sea has a special attraction for them, and that attraction manifests itself not only in their naval and mercantile fleets, but also in the passionate devotion with which they enter all forms of sport and pastime on the high seas.—Hindu, Madras.

Brain Growth.  
The brain usually stops growing at about fifty, and from sixty to seventy it is more likely to decrease. It has been related by Canon MacColl that Mr. Gladstone's head was constantly enlarging his hats. As late as the middle of his career, when he was nearly seventy, he was obliged to have his head remeasured for this reason. Canon MacColl's conclusion that this continual growth of brain contributed to Mr. Gladstone's perennial youthfulness appears not unwarranted.—Spectator.

Snail Farming.  
France is perhaps the premier snail-producing nation, although Austria, Bavaria, and Switzerland have thousands of small farms, where the famous escargots are raised and fattened on vine leaves. The demand for snails in France is far too great for the supply to be left to chance, and thus it comes about that snail farming is an important industry.—Argonaut, San Francisco.

## MINERS DOWN METHODISTS IN SECOND GAME 7 TO 2

RAIN STOPS CONTEST IN SIXTH INNING—MUDDY FIELD CAUSES RAGGED WORK.

## MARTIN TWIRLS FOR DePAUW

Hitting Shows Decided Improvement—Adams and Hardin Make Three Bagger Apiece.

In a game called in the seventh because of rain, the Miners again defeated DePauw at Terre Haute yesterday by a score of 8 to 2. The last four innings were played in a drizzling rain, on a muddy field, which rapidly became worse. Martin pitched and had the Central League sluggers guessing for the first two innings, until rain began.

DePauw's batting showed decided improvement. Although but three clean hits were registered, two of these were three baggers, one by Adams, and the other by Hardin. Adams also got a single. Terre Haute rapped out seven hits off of Martin.

DePauw's scoring was done in the third round. Adams got a three bagger. Tucker fanned. Schlade-man got first on an error. Hardin hit for another three bags, scoring Adams and Schlade-man. The line-up was: Captain Hardin, Martin, Johnson, Schlade-man, Tucker, Adams, Clark, Thomas and Patterson. Overman relieved "Pat" in the right garden.

## BLACK FACE ARTISTS TO ENTERTAIN PER SCHEDULE

PROF. R. B. VON KLEINSMID WILL AGAIN ASSUME DIRECTION—TRY-OUTS TWO WEEKS HENCE

## MUSIC BY COLLEGE ORCHESTRA

Near the middle of the month of May is the indefinite time set for the occurrence of the annual college minstrel. Professor R. B. von Kleinsmid who has successfully directed this jovial entertainment for the past five years, again assumes the leading role and is at present engaged in a diligent search for the university's black-faced artists.

Never in the history of the DePauw minstrel has more than one feature of the show been prematurely made public and this year that innovation is to be the appearance of the college orchestra among the fastidious performers. Aside from giving out this scant information, the director merely smiled and hastily remarked, "The best ever."

Within two weeks the try-outs begin followed by a brief snappy series of practice which will amply prepare the aspiring comedians for the event that marks the zenith of dull care elimination at DePauw

## GLEE CLUB ITINERARY.

In daily rehearsals, Dean McCutchan is putting the finishing touches on the Glee Club in preparation for its spring trip. The itinerary is confined to the state of Indiana, and is as follows:

April 17th, Bluffton.  
April 18th, Alexander.  
April 19th, Indianapolis.

New numbers and features have been introduced and the personnel has been slightly changed. Mr. Jackson, will accompany the club and Mr. Cadle will strengthen the second tenors.

Kleinsmid Y. M. C. A. Speaker.

The regular meeting of the Young Men's Christian Association will be held tonight. Professor Kleinsmid will speak on the subject "Training as a Profession." Special music will probably be given.

## PRESIDENT McCONNELL TO PITCH FIRST BALL

BUTLER NINE WILL LINE UP AGAINST COACH TAPP'S MEN THIS AFTERNOON AT 3:30 P. M.

## COACH TAPP ANTICIPATES VICTORY

President McConnell will pitch the first ball in the season's opening game with Butler this afternoon, unless Manager Joe Moore's plans miscarry. Joe has arranged for the band, and several hundred spectators also, and is now praying to the weather man for a few hours of dry weather, so that he may start his season most propitiously.

The game will be called at 3:30 o'clock. Butler's line-up and her strength are practically unknown. Coach Tapp is guarding against every possibility of a surprise such as "Cully's" football team sprung last fall.

The line-up will be about the same as was used in the Terre Haute games. Patterson will probably work in the box. Captain Hardin will catch. Johnson, Crouch and Adams will cover the bases. Tucker will play short, and Clark Thomas, Overman and Martin will play in the out field.

There is a rumor that Schlade-man may be given a trial on the mound. It is not known how well founded it is.

The batting order, as reversed and used in yesterday's games will be: Adams, Tucker, Crouch or Schlade-man, Hardin, Thomas, Clark, Johnson and Martin.

Coach Tapp has laid his plans well and is optimistic over the outlook for victory. He states that the men have shown up well in the Terre Haute games and that their chances of winning from the Baptists are good.

## TICKETS FOR MUSIC FESTIVAL ON SALE APRIL 18TH

Tuesday afternoon, April 18th, tickets for the Spring Festival will go on sale at Langdon's store.

Season tickets only will be sold—and each drawer of numbers may reserve four tickets. Prices of seats for season will be \$2.00 and \$2.50.

## STUDENTS EXPECTED TO AID IN ENDOWMENT FIGHT

WHEN CAMPAIGN WAS IN PROGRESS AT OHIO WES-LEXAN STUDENTS RAISED \$40,000.

## "CAN DO IT HERE," SAYS PREXY

Latest reports of the endowment campaign are of a slow and steady but certain advancement toward the \$400,000 mark. All the workers are displaying marked progress and present circumstances indicate that the amount will without doubt be raised before the end of the specified time. At the present time the subscriptions have reached \$192,000, and this does not include the larger amounts that will be sure to result from President McConnell's recent tour among the western states.

Plans are now being formulated by those in charge of the campaign for work to be done by students next summer. Although nothing definite has been laid down as yet, arrangements for the work will be presented before the end of the school year. The students, scattering to all parts of the States for their vacation, will be expected to aid in, and accomplish much for the advancement of this campaign.

Near the close of the Ohio Wesleyan campaign on April first the students did very effective work. Five days before the end of the allowed time \$18,000 were lacking of the \$400,000 required. In order to obtain it school was closed and every one, including faculty and students, went to the field. The result was that \$40,000 was added, passing the required amount by \$22,000.

"This could be done here, if necessary," said Dr. McConnell when interviewed yesterday, "but I do not think that it is going to be necessary."

## A Widow's Mite.

Mrs. Catherine L. Hall, a highly respected woman of this city, known for her charity and good deeds, has voluntarily and without notice from any one, paid \$1,210 back taxes into the county treasury on personal property which she had owned since 1901.

Mrs. Hall, who is a widow, was entirely overlooked by the assessor and her property was not listed for taxation. As her father, ex-Probate Judge Linzee, with whom she lives, paid taxes, Mrs. Hall thought nothing of it until a recent revival in this city so impressed her that she not only paid all the back taxes for six years on over \$5,000 but had all her property listed for future taxation.

MEASURES LAW**  
County Commissioners and City  
Councils Given Authority to  
Appoint Inspectors.

Although the new uniform weights and measures law, enacted by the recent general assembly, does not become effective until January 1, 1912, H. E. Barnard, state food and drug commissioner and ex officio state sealer of weights and measures, will spend much of the intervening time preparing to launch a full force of inspectors when the law becomes operative. One of the most important parts of the week of preparation will be to induce the boards of county commissioners and city councils to agree to appoint county and city sealers and another important part will be to see that all county auditors are provided with standards of weights and measures, as required by law.

In providing for the appointment of inspectors, Mr. Barnard expects to be helped by organizations of women throughout the state. In preparation for this, a campaign of education for the housewives will be started, to show the need of inspection of weights and measures to insure the housewives that when she pays for a pound of foodstuffs, she will get a pound. Mr. Barnard expects to raise a distinct issue between the dealer who opposes an inspector and the housewife whenever a board of commissioners or a city council shows an inclination not to appoint inspectors.

The law requiring that each county auditor have a set of standard weights and measures was approved in 1853, and has never been changed. It is estimated now that fewer than a dozen counties have such sets. This will be one of the phases of the situation first considered by the state sealer. Where the county commissioners appoint a county sealer, the board shall provide such sealer with an additional set, and the same shall be done in the cities where sealers are appointed. The act of 1853 defines such set of standards as containing one twelve-inch measure, one thirty-six inch measure, one one-half bushel, one one-gallon measure and one set of avoirdupois weights.

The standard of weights for produce, as adopted in 1885 by

the general assembly and amended in 1897, has not been changed by the new law. The law provides as follows:

Standard weight of a bushel—Wheat, 60 pounds; buckwheat, 50 pounds; potatoes, 60 pounds; clover seed, 60 pounds; hemp seed, 44 pounds; blue grass seed, 14 pounds; castor beans, 46 pounds; dried peaches, 33 pounds; dried apples, 25 pounds; onions, 48 pounds; salt, 50 pounds; coal, 80 pounds; timothy seed, 45 pounds; rye, 56 pounds; barley, 48 pounds; corn meal, 0 pounds; cranberries, 33 pounds; millet seed, 60 pounds; orchard grass, 14 pounds; malt rye, 3 pounds; middlins, fine, 40 pounds; middlins, coarse, 30 pounds; osage orange, 33 pounds; parsnips, 55 pounds; sweet potatoes, 55 pounds; turnips, 55 pounds; pop-corn, 70 pounds; shell-corn, 56 pounds; corn in the ear, from time of harvest to December 1, 70 pounds; thereafter, 68 pounds.

Other standards—Barrel of beef or pork, 200 pounds; barrel of flour, 190 pounds; sorghum molasses, 11 pounds to the gallon; ton of hay or straw, 2,000 pounds.

These standards will be used in the enforcement of the new law.

In a fire which destroyed the barn belonging to Thomas H. Morris, three miles northeast of Cloverdale about 10 o'clock Monday night, ten head of horses and colts several brood sows and some small pigs were destroyed, together with a large amount of corn, hay and several farm implements. The loss is over \$5,000, with only \$500 insurance. The origin of the blaze is unknown. When Mr. Morris and his family were awakened the barn was almost burned down.

Professor KleinSmid addressed the high school assembly at Brazil Wednesday morning.

John Hoffner, dispatcher at the interurban station Tuesday morning again was the victim of a joke, when he received a small dog from Indianapolis. The canine was small and white, that is nature had intended it to be white, of no special breed. It arrived on the west-bound limited car Tuesday morning. A small collar, with a tag attached and bearing the name of John Hoffner, was tied to the dog's neck. The baggage man delivered the dog to its would-be owner. After one kind short look at the beast, Hoffner's ire became aroused and the dog was compelled to beat a hasty retreat. The last seen of it, was when it was hurrying up town.

**CAPITAL CITY MEN  
GIVE ADDRESSES**

DR. HEATH AND DR. NOBLE OF INDIANAPOLIS GIVE INTERESTING AND INSTRUCTIVE TALKS BEFORE PUTNAM COUNTY MEDICAL ASSOCIATION TUESDAY NIGHT.

**SEVERAL VISITING DOCTORS**

There were several visitors at the bi-monthly meeting of the Putnam County Medical Association meeting, which was held at the office of Dr. Sudranski Tuesday evening. Among the visiting physicians were: Dr. T. B. Noble and Dr. F. C. Heath, of Indianapolis; Dr. Carter, of Claytown; Dr. Batman, of Crawfordville; Dr. Price, of Ladoga, and Dr. Hope of Coatesville.

Dr. Heath gave an interesting address, subject: "The Eye As An Indicator of General Disease." Following this Dr. Noble addressed the members of the association on "Cancer." Both addresses were interesting and instructive. After the two addresses the fourteen physicians who were present discussed several of the many problems the profession at the present day. About 10 o'clock the "medics" went to the Crawford Restaurant, and were the guests of the association at lunch.

**VOICE OF THE PEOPLE.**

To the Editor of The Herald:—

The citizens of Fillmore feel that we would not be doing justice to our deceased Doctor and his family without correcting some statements that appeared in the columns of The Herald last week concerning his death.

We speak for ourselves and for many others whom we have heard speak of this matter. We do not believe Dr. O'Brien committed suicide. Some of us who knew him best, know he loved his home, his family and his own life too well to do things like that. And we would rather think he lost his life by exposing himself to save the lives of others. As to his being so closely watched by his family and friends, it doesn't appear to us that he was so closely watched when he went to Greencastle and other places and attended to business without being attended by his family or friends. It seems to us if those who claim to know that the Doctor became so dissipated by the use of liquor would do more to get rid of the stuff and talk less of the man who falls when tempted, they would do more for the community and would not have to answer to the call of God, "Am I My Brother's Keeper?" We have known Doctor O'Brien several years and have never seen him intoxicated. As to the petition circulated to have the Doctor's license annulled, it hadn't a very broad circulation, as few people seem to know anything about it, and people who knew of the wonderful success the Doctor has had in and around Fillmore, in the last year, (saying nothing of what he has done before this), would not want such a thing to be done even if it were possible. We guess the State Board knew Dr. O'Brien as a successful doctor better than any one else. To show that the Doctor had many warm friends was expressed in tears streaming down the faces of men, women and children the morning he was found, and the remarks that were made by many. "This is the worst thing that ever happened Fillmore. Fillmore has lost a friend and a very useful man. No man had ever done more for the town of Fillmore than Dr. O'Brien." These and many other such remarks were made concerning his death. Our hearts are made sad by our loss. I am glad he will be judged by one who knows the hearts of all men and whose judgment is right, and who has said: "Judge not according to appearance but Judge righteous judgment." Therefore we are willing to leave all these things to God who will give every man justice and will not overlook the good he has done.

Signed—(Citizens of Fillmore.)

The Pension Board met Wednesday in the office of Dr. W. M. McGaughey. Dr. Stanley, of Roachdale, who is the only member of board living outside of Greencastle, was here to attend the meeting.
